Custom Image Guidelines

F&M Bank reserves the right to determine, at its sole discretion, whether a submitted image will be accepted or rejected. All images submitted must have the consent of the owner including those images downloaded from the internet. F&M Bank will reject images that contain any of the following:

- Content that breaches a third party copyright.
- Company names, trademarks, logos, slogans, works of art, copyrighted materials or brands of any third party and their likeness.
- Celebrities and public figures including actors, musicians, athletes, political figures, cartoon characters or computer game figures.
- Advertising or promotional materials or branded products.
- Phone numbers, addresses, website addresses, account or PIN numbers, and any other personal information.
- Violent, bloody, indecent, nudity or semi-nudity, obscene, maltreatment under 18 content.
- Symbols of death, destruction, violence or any other negative images that do not reflect positively on F&M Bank.
- Images of Money
- Culturally or socially insensitive texts or images, or those that show alcohol, tobacco, gambling, weapons or other anti–social behaviors.
- Texts or images that display the views, opinions or beliefs of political groups or religions.
- Libelous or derogatory of defamatory content.
- Discriminative or provocative content.
- Numbers, texts or images that might induce misunderstanding.
- Content that instigates anti-government behavior or sentiment, or content that is in violation of any rules, regulations or laws.
- If you want to use an image of an individual you must have their consent (or that of their parent/guardian if under 16).
- Any image we deem unacceptable to be associated with the F&M Bank brand.
- Photos that feature a mascot, character or athletic team logo as the primary focus of the photo, with the exception of our School Mascot Cards.

Please Note

Images that do not meet the above guidelines will be rejected, and you will be notified by email. You may then submit another image. F&M Bank reserves the right to exclude anyone from future use of the custom card design service who submits or repeatedly submits images that do not follow these guidelines.

Tips for selecting an image

- Image files need to be in either jpeg, gif or png formats
- Images should be a minimum of 1024x786 pixels for best picture quality.
- Small images will reproduce poorly; for best results and greater image clarity, use larger images with higher resolutions. (at least 300dpi)
